

Garbage Got You Down? The Livermore Sanitation Team is Here to Help!

Program Success!

Checkers Catering is making the most of Livermore Sanitation's recycling and organics programs. "LSI makes it easy for us to be one of the greenest companies in our industry,"

Checkers is a certified Green Business. Find out more about them at www.CheckersCatering.com.

comments Sandee Munroe, Vice President of Checkers. "Customers are pleased when they see the color-coded collection containers provided for guests," says Sandee, "and they're impressed to see our staff using the containers properly behind the scenes."

Checkers Catering Head Chef Kathleen Hoffman and Vice-President Sandee Munroe.

Livermore Sanitation representatives helped Checkers implement a program that was right for them. "Increasing recycling efforts and composting more materials," surmises Munroe, "has been good for business—our garbage bill is kept down and customer satisfaction is up!"

StopWaste.org Reusables Campaign

Does your business generate a lot of cardboard, wood, or plastic film? Switching to sturdy, long-lasting reusable transport packaging can save your company money while reducing greenhouse gas emissions, preventing waste and saving energy. Plus, they can increase product protection and improve worker safety and efficiency!

StopWaste offers educational workshops and resources to help businesses make this switch. Learn more at www.UseReusables.com.

Corrugated cardboard, wood, and plastic film are 3 of the top five materials being sent to the landfill in Alameda County from the commercial sector.

Holiday Schedule

Livermore Sanitation observes the following holidays:

Thanksgiving Day
Christmas Day
New Years Day

There are no service delays during the weeks of Labor Day, Columbus Day or Veterans Day. During Thanksgiving week, service normally provided on Thursday and Friday will be provided one day late.

Businesses looking to reduce waste, increase recycling, and participate in a composting program, should contact our offices and ask for free assistance.

We have representatives like **Elizabeth Ricard** and **Sheila Fagliano** that will visit your business in person and conduct a recycling opportunity assessment. These friendly ladies will suggest methods for reducing waste and making the most of our collection programs. They'll also help make sure you have the collection containers and training materials you need.
