

After the holidays,
be sure
your tree is
composted!

- Livermore Sanitation will collect trees on your regular service day during the first week of January.

- Please remove the stand, all lights and decorations.
- Tall trees should be cut into pieces no longer than five feet.
- Please place your tree at the curb by 6 am.

**PLEASE
NOTE:**
*Flocked trees
cannot be
composted.*

Local Boy Scouts will collect trees for a nominal donation on January 7th. Call 925-373-7815 or visit www.ScoutGreen.org no later than January 2nd to register for collection. Your generosity will help send a Scout to Summer Camp!
