

PROGRAM TIP: Recycle Plastic Bags

Stuff one bag full of the others, tie off the full bag, and place inside the blue recycling cart. Or, bags can be taken back to most grocery stores for recycling. At stores, the bags stay cleaner and are easier to recycle.

** Remember to shop with reusable bags whenever possible.*

PROGRAM TIP: Recycle Used Motor Oil and Filters

Did you know? We will collect up to two-gallons of oil and one filter per household each week. Contact us to arrange for free delivery of oil jugs and filter bags. Be sure to place properly contained oil and filters on the curb near your blue cart. Replacement jugs and bags will be left behind. Please do **not** leave oil jugs or filter bags in the gutter or near a storm drain.
