

Way to Go Panama Red!

Recycling and Composting program saves money

The Panama Red Coffee Co. is proud to showcase an impressive recycling and composting program that will **save the coffee house over \$1,600 per year**. Approximately two-thirds of their waste stream is now recycled or composted, minimizing the amount of garbage Panama Red sends to the landfill.

Come visit Daniel Wilson and Christopher George at the Panama Red Coffee Co., 2115 1st Street.

"Panama Red has always been committed to making a difference in our community."

Program works for employees

and patrons: Color-coded collection bins used inside and outside of the business are easy to recognize, and helpful signage is posted for all to read.

Service Tip:

To avoid service interruptions, please keep the area around your collection containers clear. If you're having trouble with overflow, contact us to arrange for additional service or to schedule a free visit from an LSI representative. We're happy to come out and suggest ways to make the most of our service.

Holiday Schedule

Livermore Sanitation observes the following holidays:

Thanksgiving Day
Christmas Day
New Years Day

Customers with Saturday collection will not receive service on Christmas Day or New Years Day; we will provide service on the Monday that follows each of those holidays. There will be no service delays due to the Martin Luther King Jr. Day or Presidents' Day.

Reduce Waste This Holiday Season: Send Cards That Won't End Up In the Landfill

Do you send a holiday newsletter or greeting card every year? If you do, please select one that won't end up in the landfill come January.

Consider sending your message electronically, or be sure to use recycled/recyclable paper. Avoid fancy foil (*even inside an envelope*) and plastic adornments. If sending a photo card, choose matte paper stock instead of photo paper. Print addresses directly on envelopes; don't use labels.

Make your customers' holiday shopping experience truly green by providing:

- reusable cloth shopping bags
- reusable or recyclable gift wrap
- reusable or compostable takeout containers

LSI representatives Elizabeth Ricard and Sheila Fagliano remind you to...

Compost Your Holiday Tree

Free drop-off location:
