

... and promise Binny you will recycle right!

Livermore residents love to recycle. However, sometimes we recycle things that we “wish” could be accepted as recyclable. Unfortunately, this can result in jammed machines and higher costs. Take a moment to make sure what you put in each cart is in the right place.

Your efforts will make a difference! Refresh your recycling knowledge by visiting LivermoreRecycles.org and follow Binny on his new Facebook page for weekly tips and promotions.
