

Recycle Right!

Extra attention is needed by businesses to reduce waste and avoid contamination.

Items going in the **RECYCLABLES** cart or bin should be empty and clean.

Items going in the **ORGANICS** cart or bin should be free of glass, metal, and plastic.

USE LESS PAPER AND PLASTIC - Reduce, reuse and repair *before* you recycle. The less waste we generate, the less of it we need to manage. Visit www.StopWaste.org/recycle for more tips.

AVOID WISHCYCLING - Make sure everything you put in your **RECYCLABLES** cart or bin is recyclable. Visit our website: www.LivermoreSanitation.com and click on the "Avoid Wishcycling" banner on the home page for more information.

Holiday Service Reminder

There will be no change to the collection schedule during the weeks of Labor Day, Columbus Day, and Veterans Day.

During Thanksgiving week, service normally provided on Thursday and Friday will be one day late.

NOVEMBER 19 - 23, 2018

If your collection day is:	Mon. 19	Tue. 20	Wed. 21	Thu. 22	Fri. 23
Your holiday collection day will be:	Mon. 19	Tue. 20	Wed. 21	Fri. 23	Sat. 24

Recycling and Composting is Required!

- Alameda County's Mandatory Recycling Ordinance applies to businesses and institutions as well as multi-family properties with 5 or more units.

- To learn more, visit: RecyclingRulesAC.org or LivermoreSanitation.com and click on the Mandatory Recycling Ordinance Link.

We are Here to Help You!

Contact us today to make the most of our **RECYCLABLES** and **ORGANICS** programs. Livermore Sanitation offers:

- Free waste assessments
- Recycling training
- Food scraps collection containers
- Desk side recycling containers

Visit: www.LivermoreSanitation.com or call **925-583-3517** for information.

Service Tips to Help us Provide Safe and Efficient Service

- Make sure the area around your containers is clear.
- Close your container lids to keep out birds, critters and rain.
- Schedule additional service when you have overflow, large items, or construction and demolition debris.
- Flatten and/or cut boxes to maximize space in your **Recyclables** cart or bin.

Are Reusables Right for Your Business?

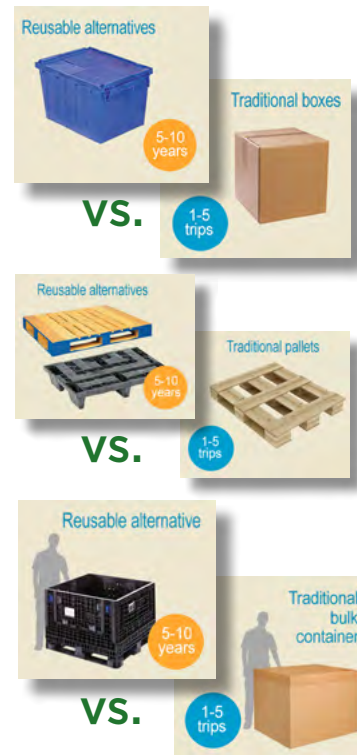

Reusable transport packaging ("Reusables") replace limited-life transport packaging, saving money and resources. Examples of Reusables include:

- Hand held containers.
- Pallets, pallet wraps and bands.
- Bulk containers and drums.

Reusables can offer significant advantages over traditional transport packaging by:

- Lowering shipping costs.
- Offering more efficient product storage, handling and distribution.
- Improving product protection, worker safety and storage efficiency.

You can visit www.useresables.org and complete the checklist, apply for grant funds, read success stories, and find out if reusables are right for you!

Close the Loop with Environmentally Preferable Purchasing

Buying "green" products and services can increase efficiency, enhance a company's public image, and reduce the impact on our environment.

Visit www.StopWaste.org and use the "Preventing Waste" drop-down menu at the top left to navigate to the Green Purchasing page for businesses. You will find free fact sheets, a model purchasing policy, and other resources to help your company make more sustainable purchasing decisions.
