Not Ready to Take Down Your Christmas Tree?

Livermore Sanitation's special holiday tree collection service ends on January 18th. However, you can still put your tree in the **Organics** cart after January 18th if you:

- Remove all decorations, lights, and the stand from your tree.
- Cut your tree into small sections and place it in your **Organics** cart. Make sure the lid fully closes.
- Remember that flocked and artificial trees cannot be composted and belong in your **Garbage** cart.
- Call us at: **925-449-7300** or visit: **www.LivermoreSanitation.com** if your tree is too big to dispose of in the appropriate cart. We are happy to help you make other arrangements!

Holiday Schedule

Collection days will NOT change during the weeks of Martin Luther King Jr. Day and Presidents' Day. Please be sure to put your carts out for collection by 6am on your regular service day.
