

THE CALIFORNIA GREEN BUSINESS PROGRAM

Conserve resources, prevent pollution and reduce waste by becoming a Green Business!

- Be recognized as an environmental leader.
- Operate efficiently and strengthen your bottom line.
- Improve employee morale, health and productivity.
- Hold a marketing edge over your competition.

To learn more about Green business standards, Green marketing tips and what it takes to become a Green business, visit: www.greenbusinessca.org.

FREE COLLECTION CONTAINERS MAKE RECYCLING EASIER!

To help with Mandatory Recycling Ordinance compliance for businesses, Livermore Sanitation provides:

- Desk side recycling containers for the easy collection of recyclable paper and other recyclable materials.
- Up to three free food scrap collection containers (known as "slim jims") for use inside offices, break areas, and kitchens.

Contact us today at **925-583-3517** to request yours!
