Keep Recyclables Clean!

Strict contaminant thresholds have been applied to the recyclables we export.

What Do We Do Now?

- Keep recycling!
- Avoid contamination to maintain the cleanest stream possible.
- Downloadable posters of what belongs in the blue **Recyclables** cart/bin at: www.livermoresanitation.com/commercial/publications-resources/.
- See proper sorting tips inside!

925-449-7300
www.LivermoreSanitation.com

Proper Sorting is More Important Than Ever!

*The cleanest and most efficient
sorting starts with you!*

SUPPORT THE SORT!

Please place only recyclables into
the blue **RECYCLABLES** cart or bin.
Do not use plastic liner bags.

JUST SAY "NO" TO CONTAMINANTS!

GARBAGE and **ORGANICS**
DO NOT belong in the blue
RECYCLABLES cart or bin.

MAINTAIN A CLEAN STREAM!

Empty, rinse or wipe
recyclable plastic,
metal and glass food
containers before
placing them in the blue
RECYCLABLES cart or bin.

Avoid Wishcycling

*Many times you want something to be
recyclable, but it actually isn't.* Items like
the ones listed below that are not recyclable
can damage sorting machinery and make it
so recyclables end up in a landfill.

COMMON WISHCYCLED ITEMS THAT DO NOT BELONG IN THE BLUE **RECYCLABLES** CART/BIN:

- Chip/snack packaging
- Film plastic/plastic bags
- Styrofoam® (blocks, cups, food ware,
packaging peanuts)
- Crockery/dishware
- Soiled paper towels/napkins
- CDs & VHS tapes
- Plastic plates/cups/cutlery
