Dear Livermore Sanitation Service Subscriber,

Livermore Sanitation is now offering a no-charge annual cleanup program to multi-family residential complexes. This new program is designed to discourage abandoned waste and increase customer satisfaction by providing tenants with a convenient collection option for miscellaneous garbage that cannot be collected through regular weekly collection services.

Please note that this service is for the items listed on the reverse side of this letter only.

Livermore Sanitation can collect bulky items and construction, demolition or landscaping materials, but special arrangements are required and charges apply.

Every multi-family complex in the City of Livermore is entitled to one free annual cleanup service per twelve (12) month period. Additional cleanup services may be scheduled but applicable charges apply. For more information and to schedule your first cleanup, please contact us through our website, LivermoreSanitation.com, or by phone at 925-449-7300. When your dates are confirmed and the location for your debris box determined, a completed version of the attached flyer will be provided electronically and you can distribute to your tenants. We will also provide an event poster for you to put up in a common area.

Sincerely,

Livermore Sanitation Customer Service

GUIDELINES:

- Place miscellaneous garbage inside the debris box provided.
Location: _____
- Review reverse side of this flyer for a list of acceptable items.
- Avoid overfilling the debris box and leaving items outside of the box. The box is full once materials reach the height of the box. The box will be emptied and returned as needed during your cleanup week.
- Contact your property manager or owner if you need to dispose of any items that aren't accepted in this program. Charges may apply.
- Do not place hazardous materials like electronic waste, automotive parts and fluids, batteries, paint, medications, sharps, automotive fluids, and pressurized tanks inside the debris box. For information on free disposal of these and other items, **contact the Alameda County Household Hazardous Waste Program at 800/606-6606 or visit StopWaste.org/hhw.**
