

This Year, Pledge to Buy Green

Take into account the environmental and health impacts of the products and services you choose.

- **Choose used products.**

Frequent thrift stores, browse websites such as Craigslist, or share and trade items with friends.

- **Reduce packaging waste.**

Choose products with little or no packaging.

- **Invest in reusables.**

Carry reusable shopping bags, travel mugs, and water bottles with you.

- **Buy recycled.**

Look for products that contain recycled content.

- **Prioritize energy and water efficiency.**

Choose the most efficient products you can afford.

- **Shop businesses that are certified green.**

Search for Certified Green Businesses here: www.greenbusinessca.org.

- **Select products with independent green certification.**

Look for the Forest Stewardship Council (FSC) logo, the Energy Star logo, and the WaterSense logo.

BENEFITS OF BUYING GREEN

- Save energy
- Save water
- Protect natural resources
- Reduce greenhouse gas emissions that contribute to climate change
- Improve air and water quality
- Help make your home and yard healthier

Start the New Year Right!

Follow these tips for safe and efficient collection services.

- ☑ Place carts out for collection by 6:00 a.m. Make sure they are off the street and out of sight on non-collection days.
City Code 8.08.040 requires that containers be out for service on designated collection day only and be placed out of public view on non-collection days.
- ☑ Leave three feet (or as much space as possible) between each cart and avoid placing carts near obstacles.
- ☑ Place materials loosely inside carts for proper emptying.
- ☑ Make sure cart wheels are against the curb and facing your home.
- ☑ Make sure cart lids fully close. *Overloaded carts can cause litter, pollution and attract critters like crows & raccoons.*

Holiday Tree Collection Ends January 15th

After 1/15/21, put your clean green tree in the Organics cart:

- Remove all decorations, lights, and the stand.
- Cut into small sections. Make sure the lid fully closes.
- Flocked and artificial trees cannot be composted and belong in your **Garbage** cart. Cut into small sections. Make sure the lid fully closes.
- Call us at: **925-449-7300** or visit: **www.LivermoreSanitation.com** for more information or to make other arrangements.
