Hazardous waste does NOT belong in any of your Livermore Sanitation collection carts or bins. There are special hazardous waste disposal programs for businesses. Visit [StopWaste.org/hhw](http://StopWaste.org/hhw) or call the Alameda County Household Hazardous Waste line at 800-606-6606 to see if your business qualifies for the small business generator and business drop in programs for the proper disposal of items like paint, batteries, fluorescent bulbs, toxic cleaners, poisons, wood treated with chemical preservatives, unwanted medications, and sharps.
