

Reduce Waste This Spring!

Remember to Reuse, Rethink, Repair, or Recycle!

Give your unwanted items new life:

- Participate in the Livermore Citywide Garage Sale (see right).
- Utilize the Reuse Network - log into your account at www.LivermoreSanitation.com for more information.
- Donate to a charity. Some examples:
www.SVDP-Alameda.org - St. Vincent de Paul
www.EastBayGoodwill.org - Goodwill Industries
www.ShepherdsGate.org - Shepherd's Gate
www.TriValleyHaven.org - Tri-Valley Haven

Reuse resources on the web:

- www.resource.stopwaste.org - RE:source is Alameda County's Online guide for reuse, repair, and recycling.
- www.NextDoor.com - Post items for sale or for free to neighbors in your area.
- www.epa.gov/recycle - Learn how reducing, reusing, and recycling can help you, your community, and the environment.

Make small changes to reduce waste:

- **Before you replace an item, see if it can be repaired.** If you do purchase something new, find the highest quality/longest lasting option possible.
- **Opt for used products.** Reuse or rethink what you already have or purchase a "gently used" item from a resale/thrift shop. Browse reuse websites (see above) or share/trade items with friends and neighbors.
- **Choose reusables.** Make it a habit to use travel mugs, reusable water bottles, and reusable shopping bags/totes.
