# The ReThink Disposable Technical Assistance Program

Prevent waste before it starts! By reducing single use disposable packaging, your food service business can:

- conserve resources;
- prevent waste;
- reduce ocean litter;
- increase operational efficiency;
- improve customer satisfaction; and
- save money.

For more program information and materials, visit: <http://www.rethinkdisposable.org/businesses>.

**PLEASE REMEMBER!** Food service businesses in the City of Livermore are prohibited from distributing Styrofoam® takeout containers. Instead, choose reusable, recyclable, or compostable alternatives.

## Smart Kitchen Initiative

**Preventing food waste can save money!**

The Smart Kitchen Initiative program helps food service operators in Alameda County measure and prevent food waste. Participating kitchens can receive free food waste tracking equipment and customized staff training.

For more information visit:
