

Repair, Reduce, & Reuse *Before* You Recycle

***Small changes can
reduce waste!***

- Repair or buy used items instead of purchasing new.

- Refuse single-serve or single-use items.

- Reduce paper waste by stopping unwanted mail.

- Remove your address from direct mail registries:
Directmail.com/mail_preference/
- Discontinue unwanted catalogs:
CatalogChoice.org
- Stop phonebook deliveries:
YellowPagesOptOut.com

For more reuse and reduction tips visit: **www.StopWaste.org**.
