RATES FOR DROP BOX AND COMPACTOR COUNTY CUSTOMERS

Per-Pull Rates

Customer shall be charged a per-pull rate each time its drop box or compactor box is serviced. In addition, customer will be charged for each ton of material collected at rates listed below. Customers will be charged full Per-Pull Rate if the truck is unable to access container.

Disposal and Processing Rates

In addition to the per-pull rate (listed above) charged each time the drop box or compactor box is serviced, the customer will be charged for each ton of material in the drop box or compactor box based on actual weight of materials. Per-ton rates are listed below. Per-ton charges will be made after materials are collected. **Additional material rates are available upon request.**

RATES FOR DROP BOX AND COMPACTOR BOX CUSTOMERS

Per-Pull Rates

Customer shall be charged a per-pull rate each time its drop box or compactor box is serviced. In addition, customer will be charged for each ton of material collected at rates listed below. Customers will be charged full Per-Pull Rate if the truck is unable to access container.

Disposal and Processing Rates

In addition to the per-pull rate (listed above) charged each time the drop box or compactor box is serviced, the customer will be charged for each ton of material in the drop box or compactor box based on actual weight of materials. Per-ton rates are listed below. Per-ton charges will be made after materials are collected.

Additional material rates are available upon request.

Per-Pull Rates

Customer shall be charged a per-pull rate each time its drop box or compactor box is serviced. In addition, customer will be charged for each ton of material collected at rates listed below. Customers will be charged full Per-Pull Rate if the truck is unable to access container.

Disposal and Processing Rates

In addition to the per-pull rate (listed above) charged each time the drop box or compactor box is serviced, the customer will be charged for each ton of material in the drop box or compactor box based on actual weight of materials. Per-ton rates are listed below. Per-ton charges will be made after materials are collected.

Additional material rates are available upon request.
